# Christ CUET Syllabus 2027

Section-wise topic checklist for the CHRIST University Entrance Test (Selection Process I, 2027-28 admissions)

## Read this first

CHRIST (Deemed to be University) publishes the test **pattern** (sections, question counts, marking) but not a topic-by-topic syllabus. The topics in this checklist are the areas commonly tested in the BBA, BCom and related papers, compiled from the sections CHRIST names for each programme and cross-checked across published preparation syllabi. Treat it as a preparation map, and always confirm your programme's exact section split in CHRIST's official 2027 test pattern PDF.

## Exam at a glance

| Item | Detail |
|---|---|
| Conducting body | CHRIST (Deemed to be University), Bengaluru. This is not the NTA's CUET (UG). |
| Mode | Online, proctored (camera, microphone, power backup and stable internet needed) |
| Total marks / duration | 120 marks / 90 minutes (unless a programme specifies otherwise) |
| Marking | +1 for each correct answer, -0.25 for each wrong answer, 0 for unattempted |
| Entrance Test date (Selection Process I) | 5 December 2026 (admit card: 3 December 2026, 11:00 PM) |
| Later rounds | Skill Assessment, Micro Presentation, Personal Interview: 11-13 December 2026 |
| Final selection list | 21 December 2026, 10:00 PM |

## Section split by programme group (questions = marks)

| Section | BBA | BCom / BHM | BA Media, Journalism, English, Liberal Arts, Pol. Sci. | Economics, BCA, Data Science |
|---|---|---|---|---|
| English | 25 | 20 | 40 | 20 |
| General Knowledge | 20 | 20 | 20 | 15 |
| Current Affairs | within GK | within GK | 10 | 10 |
| Reasoning | 25 | 20 | 20 | 20 |
| Mathematics | 20 | 20 | - | 15 |
| Data Analysis & Interpretation | 20 | 20 | - | 15 |
| Fundamental Accounting | 10 | 20 | - | - |
| Programme-specific / Economics / Comp. Sci. | - | - | 30 | 25 |
| Total | 120 | 120 | 120 | 120 |

BBA (Decision Science), BTech, BSc Psychology, BA LLB and BBA LLB follow different mixes; see the official test pattern PDF. BBA and BCom figures are as reported from CHRIST's 2027 UG pattern document.

## 1. English Language and Comprehension

BBA: 25 questions | BCom/BHM: 20 | BA Media/Journalism/English: 40

| Done | Topic | What to cover |
|---|---|---|
| [ ] | Reading comprehension | Passage-based questions, main idea, inference, tone, vocabulary in context |
| [ ] | Grammar | Parts of speech, tenses, articles, prepositions, conjunctions, subject-verb agreement, active/passive voice, direct/indirect speech |
| [ ] | Vocabulary | Synonyms, antonyms, one-word substitution, word meanings, contextual vocabulary |
| [ ] | Idioms and phrases | Common idioms, phrases, proverbs, usage-based questions |
| [ ] | Sentence correction | Error spotting, sentence improvement, incorrect word usage |
| [ ] | Sentence arrangement | Jumbled words, jumbled sentences, para jumbles |
| [ ] | Word usage | Homonyms, spellings, fill in the blanks |

## 2. General Knowledge and Current Affairs

BBA and BCom/BHM: 20 questions (General Knowledge) | BA and Economics/BCA programmes also carry a separate 10-question Current Affairs block

| Done | Topic | What to cover |
|---|---|---|
| [ ] | Current affairs | National and international events, government schemes, summits, reports and indexes, appointments (last 6 months in particular) |
| [ ] | Awards and honours | National and international awards, civilian honours, Nobel Prize, sports awards |
| [ ] | Sports | Major tournaments, trophies, records, personalities |
| [ ] | Business and economy | Budget, banking, financial institutions, economic policies, basic economic terms |
| [ ] | Polity and governance | Constitution, fundamental rights and duties, Parliament, judiciary, constitutional bodies |
| [ ] | Static GK | Indian history and geography, world geography, general science, art and culture |
| [ ] | Organisations and agreements | UN bodies, WHO, UNESCO, IMF, World Bank, major environmental agreements |
| [ ] | Books, important days, firsts | Books and authors, national and international days, famous personalities, inventions |

## 3. Reasoning (Critical, Analytical and Logical)

BBA: 25 questions | BCom/BHM: 20 | BA and Economics/BCA programmes: 20

| Done | Topic | What to cover |
|---|---|---|
| [ ] | Series | Number, alphabet and alphanumeric series, missing terms |
| [ ] | Coding and decoding | Letter, number, symbol and mixed coding |
| [ ] | Blood relations | Family trees, generation-based and coded relations |
| [ ] | Directions and distance | Direction sense, distance, orientation |
| [ ] | Arrangements and puzzles | Linear, circular and matrix seating; floor, scheduling and grouping puzzles |
| [ ] | Syllogisms | Statements, conclusions, Venn diagrams |
| [ ] | Analogy and classification | Word, number and letter analogies; odd one out |

| Done | Topic | What to cover |
|---|---|---|
| [ ] | Critical reasoning | Assumptions, arguments, conclusions, cause and effect, strengthening and weakening |

## 4. Mathematics / Quantitative Aptitude

BBA: 20 questions | BCom/BHM: 20 | Economics/BCA programmes: 15

| Done | Topic | What to cover |
|---|---|---|
| [ ] | Number system | Divisibility, factors, remainders, HCF and LCM, number properties |
| [ ] | Arithmetic core | Percentages, ratio and proportion, averages, profit and loss, simple and compound interest |
| [ ] | Time-based problems | Time and work, pipes and cisterns, time, speed and distance |
| [ ] | Mixtures and partnership | Mixtures and alligations, partnership problems |
| [ ] | Algebra | Linear and quadratic equations, identities, indices and surds |
| [ ] | Progressions | Arithmetic progression (AP) and geometric progression (GP) |
| [ ] | Geometry and mensuration | Lines, angles, triangles, circles, area, perimeter, volume, surface area |
| [ ] | Counting and chance | Basic permutations, combinations and probability (lower priority) |

## 5. Data Analysis and Interpretation (DAI)

BBA: 20 questions | BCom/BHM: 20 | Economics/BCA programmes: 15

| Done | Topic | What to cover |
|---|---|---|
| [ ] | Tables | Tabular data, missing data, percentage and ratio comparisons |
| [ ] | Bar graphs and histograms | Simple, multiple and stacked bar graphs |
| [ ] | Line graphs | Trend analysis, growth and change over time |
| [ ] | Pie charts | Percentage distribution, sector angles, share comparison |
| [ ] | Mixed graphs and radar charts | Combinations of tables, bars, lines and pies; radar graphs |
| [ ] | Caselets | Data in paragraph form, multi-variable analysis |

## 6. Fundamental Accounting (programme-specific)

BBA: 10 questions | BCom/BHM: 20

| Done | Topic | What to cover |
|---|---|---|
| [ ] | Accounting equation | Assets = Liabilities + Capital; effect of transactions |
| [ ] | Assets, liabilities, equity | Classification and types, owner's equity |
| [ ] | Transactions and books | Source documents, double entry, journal, ledger, cash book, trial balance |
| [ ] | Accounting cycle | Journalising, posting, trial balance, adjustments, final statements |
| [ ] | Inventories | Inventory valuation, stock records, cost of goods sold |
| [ ] | Accounting instruments | Bills of exchange, promissory notes, cheques |
| [ ] | Earnings | Revenue, expenses, profit calculation, net income |

## Attempt strategy in one box

| Situation | Expected score per question | What to do |
|---|---|---|
| Blind guess (4 options) | +0.0625 | Small positive, but only when you truly cannot rule anything out |
| One option eliminated | about +0.17 | Attempt |
| Two options eliminated | +0.375 | Always attempt |
| Time available | 45 seconds per question (90 min / 120 questions) | Skip long sets early, return if time is left |
