Total listed: 167 cities across 34 states and UTs. Official sources describe CAT 2026 as being held in approximately 170 test cities; small differences arise from how combined cities (for example Asansol-Durgapur, Hubli-Dharwad) are counted. You choose the city; IIM Indore allots the exact centre, which is printed on your admit card. Centres are not changed after the admit card, except in genuine emergencies.
